

WAYS TO GIVE

Philanthropy plays an essential role and supports the continued growth of healthcare in Sheridan County. There are many ways to help ensure the Foundation's mission continues, all of which are tax deductible in accordance with section 501 (c)(3) of the Internal Revenue Service code.

SMH is a progressive, state-of-the-art facility with sophisticated technology and services beyond what one might expect in a community this size, thanks in great part to your investment in healthcare. In the last 365 days, your contributions funded **\$1.1 million in equipment upgrades**, directly supporting patient care in nine specialty areas.

This includes:

- Updated ultrasound equipment in five specialty service lines for patients served in Women's Clinic, Emergency Department, Intensive Care Unit, Radiology and Ear Nose Throat Clinic.
- Respiratory therapy equipment for our teams caring for asthma, pulmonary fibrosis, or chronic obstructive pulmonary disease (COPD) patients was also upgraded.
- Support for the replacement of our linear accelerator (LINAC) for cancer patients receiving targeted radiation therapy.

"Updated technology enables us to provide more accurate diagnoses, perform procedures with greater precision and, ultimately, improve patient outcomes. These additional ultrasound resources are truly a game-changer in delivering excellent patient-centered care."

- Dr. Rebecca Franklund, SMH Women's Clinic

OUR MISSION

"To cultivate community involvement and support the hospital's vision through advocacy, financial support and stewardship."

The need for excellent patient-centered care in our community and region is a top priority when someone you know and love requires medical assistance. When considering a gift, please know the generous philanthropy provided by many helps support and improve the services available to you. Ultimately, your investment in Sheridan Memorial Hospital benefits each patient and supports families and care providers. We are grateful for the **1314** donors who gifted **\$6,321,665**. How fortunate we are to experience our donor's gratitude and put those contributions to work.

GRATITUDE REPORT 2024

TWO DECADES OF CARING FOR YOU

Established in 1976, The Foundation has created a lasting legacy, as well as strategic goals for the future. Through our mission, we support excellent healthcare right here at home. Across **25** specialties, more than **100** physicians and advanced care practitioners, and nearly **900** total staff are ready to serve you. Your support continues to financially assist Sheridan Memorial Hospital with strategic and vital healthcare projects today and into the future.

2000s

- 2000: Patient wing expansion completed with a community philanthropy effort of \$3 million.
- 2004: Griffith Emergency Department opened, thanks to community and partner support of \$2.5 million.
- 2007: Watt Dialysis Center opened, thanks to a generous donation by the Joe & Arlene Watt Foundation and continues to provide excellent patient-centered care thanks to the Bob Bishop Dialysis Endowment.

2010s

- 2013: Welch Cancer Center celebrated its grand opening, thanks to \$6 million in community support, allowing for cancer diagnosis and treatment.
- 2016: Intensive Care Unit opened, expanding capacity from six to 11 private rooms, which became pivotal to our community's health during the pandemic.

GROWING FOR YOU

2020s

- 2022: Transitional Care Unit opened, transforming the TCU capacity from eight to 20 private patient rooms.
- 2023: Growing For You campaign kicked off with a focus on a critical need for behavioral health and emergency care in our growing community.
- 2027: Behavioral Health Unit scheduled to open early 2027.

Behavioral Health entrance concept

New Emergency Department entrance concept

PROJECT INCLUDES:

- Psychiatric care and crisis stabilization for immediate behavioral health needs.
- Compassionate care from specially trained staff.
- Therapeutic setting and resources to initiate behavioral health treatment.
- Strengthened continuum of care within the community health system.

PROJECT PHASES

Completed

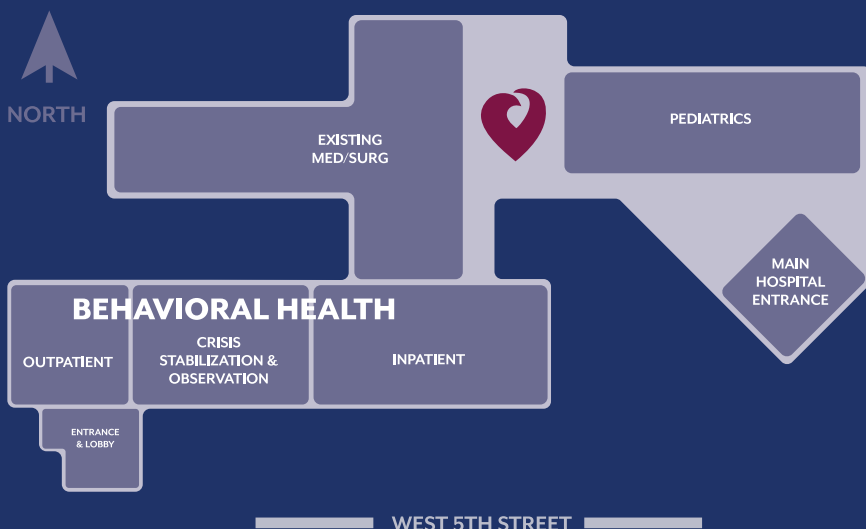

- Pharmacy, Respiratory Therapy & Materials Management (2023-2024)

In progress

- Emergency Department (2024-2025)
- Pediatrics (2024-2025)

Upcoming

- Medical/Surgical (2025-2026)
- Behavioral Health (2025-2026)

Throughout the Growing For You campaign, it has been reaffirmed that our community has a desire to support and enhance behavioral health services in Sheridan. Together with donors, foundations, community leaders, healthcare workers from numerous agencies and community members who support excellent patient-centered care for all, we look forward to making a real and lasting difference.
