

# WAYS TO GIVE

Philanthropy plays an essential role and supports the continued growth of healthcare in Sheridan County. When you choose to make a gift to the Sheridan Memorial Hospital Foundation, you help ensure that Sheridan Memorial Hospital continues to offer excellent patient-centered care in our community.

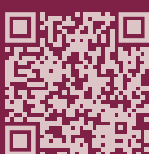

**CASH & PLEDGES • PLANNED GIVING • WILLS AND BEQUESTS  
STOCKS & BONDS • LIFE INSURANCE • FAMILY TRUST  
ANNUAL GIVING**

There are many ways to help ensure the Foundation's Mission continues, all of which are tax deductible in accordance with section 501 (c)(3) of the Internal Revenue Service code. If you have any questions about maximizing your gift, please reach out to The Foundation at 673.2418 today.

## FOUNDATION TEAM

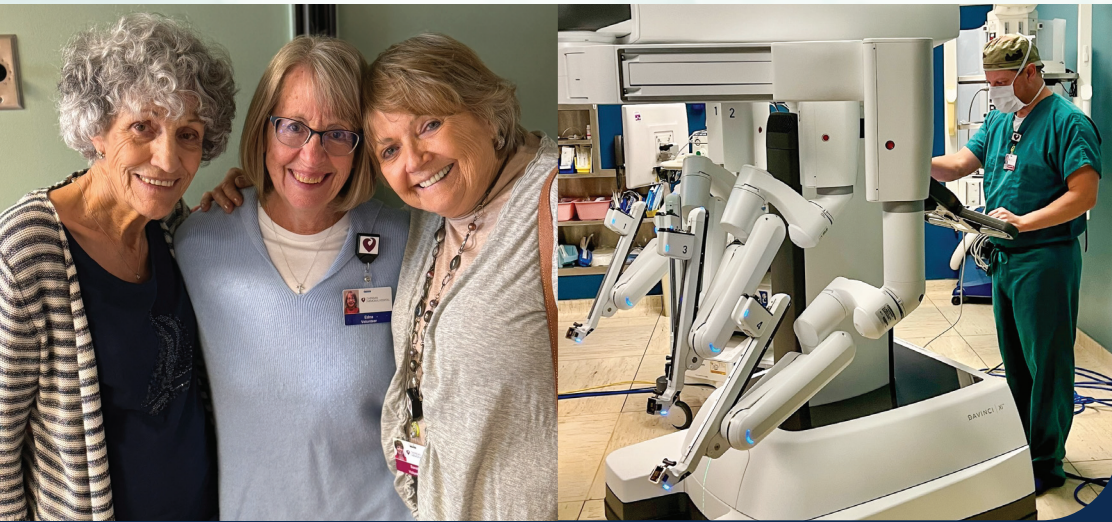

The Foundation Team is grateful to work with our community to help ensure that at Sheridan Memorial Hospital, every patient, family member and community member has an excellent experience in our facilities. We will continue to work alongside our community as we support these endeavors through significant projects and initiatives that will best serve you— our friends, families and neighbors.

The Foundation

## FOUNDATION BOARD OF DIRECTORS

The Foundation Board's sole purpose is to support the hospital's mission, "to serve our community with excellent patient-centered care." Hospital and Foundation staff are fortunate to work alongside the dedicated volunteers of the SMH Foundation Board as they donate their time and expertise to support the hospital's mission. Our board members bring a diverse range of skills and experiences to the The Foundation board, including business acumen, financial expertise, and community connections. By serving on the board, these individuals make a significant contribution to the health and well-being of the patients and community they serve.

Visit us in person at

# MISSION

**“To cultivate community involvement and support the hospital’s vision through advocacy, financial support, and stewardship.”**

## DECADES OF CARING FOR YOU

Established in 1976, The Foundation has created a lasting legacy, as well as strategic goals for the future. Through our mission, we support excellent healthcare right here at home. Across **25** specialties, more than **100** physicians and advanced care practitioners, and nearly **900** total staff are ready to serve you. Your support continues to financially assist Sheridan Memorial Hospital with strategic and vital healthcare projects today and into the future.

### 2000

- 2000: Patient wing expansion completed with a community philanthropy effort of \$3 million.
- 2004: Griffith Emergency Department opened, thanks to community and partner support of \$2.5 million.
- 2007: Watt Dialysis Center opened, thanks to the generous donation by The Joe & Arlene Watt Foundation and support from the Bob Bishop Dialysis Endowment.

### 2010

- 2013: Welch Cancer Center celebrated its grand opening, thanks to \$6 million in community support, allowing for cancer diagnosis and treatment.
- 2016: Intensive Care Unit opened, expanding capacity from six to 11 private rooms, which became pivotal to our community’s health during the pandemic.

### 2020

- 2022: Transitional Care Unit opened, transforming the TCU capacity from eight to 20 private patient rooms.
- 2023: Growing For You campaign kickoff with a focus on a critical need for behavioral health and emergency care in our growing community.
- 2027: Behavioral Health Unit to open.

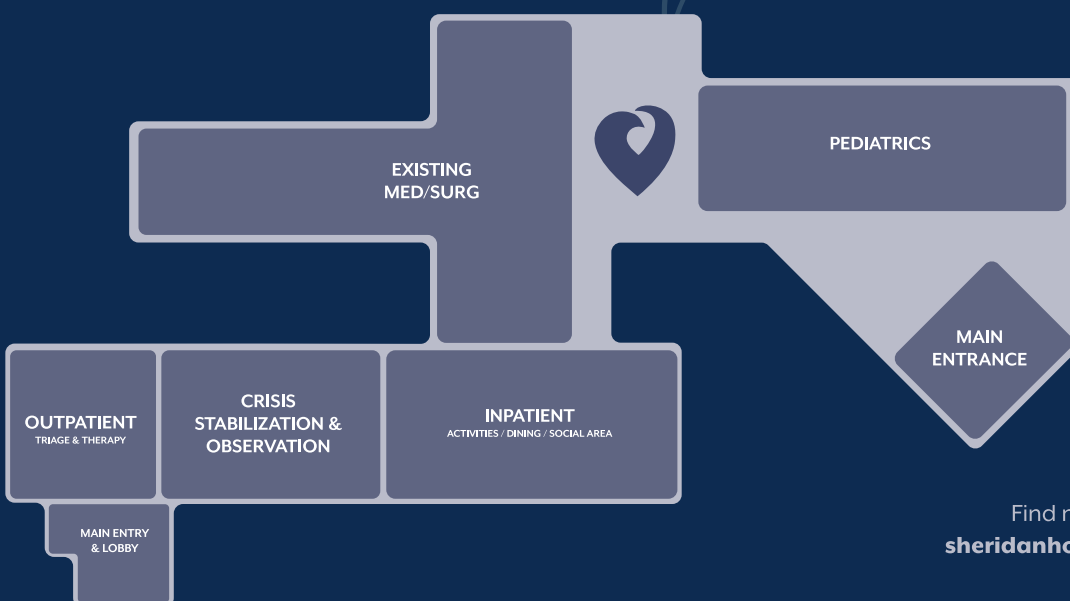

## GROWING FOR YOU

### Project includes:

- Psychiatric care and crisis stabilization for immediate behavioral and mental health needs.
- Compassionate care from specially trained staff.
- Therapeutic setting and resources to initiate behavioral and mental health treatment.
- Strengthened continuum of care within the community health system.

### Project phases:

- Pharmacy, Respiratory Therapy & Materials Management (2023-2024)
- Emergency Department (2024)
- Pediatrics (2024-2025)
- Medical/Surgical (2024-2026)
- Behavioral Health (2024-2026)
